## Policy on Safeguarding Children and Vulnerable Adults

The Methodist Church, along with the whole Christian community, believes each person has a value and dignity which comes directly from God's creation of male and female in God's own image and likeness. Christians see this as fulfilled by God's re-creation of us in Christ. Among other things, this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

Leeds Methodist Mission is committed to the safeguarding and protection of all children, young people and vulnerable adults and affirms that the needs of children or of people when they are vulnerable are paramount.

Leeds Methodist Mission recognises that none of us is invulnerable but that there is a particular care for those whose vulnerability is increased by situations, by disabilities or by reduction in capacities. It is recognised that this increased vulnerability may be temporary or permanent and may be visible or invisible, but that it does not diminish our humanity and seeks to affirm the gifts and graces of all God's people.

This policy addresses the safeguarding of children, young people and vulnerable adults. It is intended to be a dynamic policy. It is intended to support the Leeds Methodist Mission in being a safe supportive and caring community for children, young people, vulnerable adults, for survivors of abuse, for communities and for those affected by abuse.

Leeds Methodist Mission fully agrees with the Connexional statement reiterated in *Creating Safer Space 2007*:

*As the people of the Methodist Church we are concerned with the wholeness of each individual within God's purpose for everyone. We seek to safeguard all members of the church community of all ages.*

Leeds Methodist Mission recognises the serious issue of the abuse of children and vulnerable adults and recognises that this may take the form of physical, emotional, sexual, financial, spiritual or institutional abuse or neglect. It acknowledges the effects these may have on people and their development including spiritual and religious development. It accepts its responsibility for ensuring that all people are safe in its care and that their dignity and right to be heard is maintained. It accepts its responsibility to support, listen to and work for healing with survivors, offenders, communities and those who care about them. It takes seriously the issues of promotion of welfare so that each of us can reach our full potential in God's grace.

Leeds Methodist Mission commits itself to respond without delay to any allegation or cause for concern that a child or vulnerable adult may have been harmed, whether in the Oxford Place Centre or in another context. It commits itself to challenge the abuse of power of anyone in a position of trust.

Leeds Methodist Mission commits itself to ensuring the implementation of Connexional Safeguarding Policy, government legislation and guidance and safe practice in the local Methodist context, especially the Oxford Place Centre.

Leeds Methodist Mission commits itself to the provision of support, advice and training for lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.

Leeds Methodist Mission affirms and gives thanks for the work of those who are workers with children and vulnerable adults and acknowledges the shared responsibility of all of us for safeguarding vulnerable adults who are on our premises.

Leeds Methodist Mission appoints Deacon Jenny Jones as the Mission's Safeguarding Representative and supports her in this roles which is to:

The purposes of this safeguarding policy are to ensure procedures are in place and people are clear about roles and responsibilities for vulnerable adults in our care and using our premises. It is to be read in conjunction with the Methodist Safeguarding Handbook (2010).

#### **b) Good Practice**

We believe good practice means that:

- i) All people are treated with respect and dignity.
- ii) Those who act on behalf of the Leeds Methodist Mission should not meet or work alone with a child or vulnerable adult where the activity cannot be seen unless this is necessary for pastoral reasons, in which case a written note of this will be made and kept noting date, time and place of visit.
- iii) The Oxford Place Centre's premises will be assessed for safety for children and vulnerable adults and the risk assessment report will be given annually to the Management Committee in written form. This will include fire safety procedures. The Management Committee will consider the extent to which the premises and equipment are suitable or should be made more suitable.
- iv) Any transport of children or vulnerable adults used by Leeds Methodist Mission will be checked to ensure the vehicle is suitable and insured and that the driver and escort are appropriate.

v) Promotion of safeguarding is recognised to include undertaking those tasks which enable all God's people to reach their full potential. The Management Committee will actively consider the extent to which it is succeeding in this area.

These things are to safeguard those working with children, young people and those adults who may be vulnerable.
